Volunteer Application

Application date _____

Gateway to Canine Partnerships is dedicated to assisting physically challenged individuals in gaining greater independence through the use of a trained assistance dog and to provide that service without adding an excessive financial burden to the individuals and their families. Volunteers are needed at all levels of GCP's activities. We need volunteers to assist in classes by mentoring, encouraging and supporting our clients with their dogs during the training process. If you like to around energetic people and dogs, Gateway to Canine Partnerships may be for you! Please let us know if we are right for each other by completing this application. **Please Print**
